EVERGREEN RODEO

Welcome Evergreen Rodeo Fans!

On behalf of the Evergreen Rodeo Association, welcome to our 56th annual rodeo. It is my honor to present to you one of the last small town rodeos and one of Evergreens oldest events. Rodeos have been held in Evergreen with few exceptions for more than 80 years. Ranches used to get together and help each other brand and sort cattle. The cowboy spirit has a competitive edge and these gatherings naturally turned into competitions. These competitions have turned into what we now call rodeo today. Although times have changed in our mountain community the same type of people who have a strong cowboy spirit still get together, not to brand cattle but to put on a rodeo. Without the people of the Evergreen Rodeo Association who volunteer their time and talents and pour their hearts and souls into the rodeo, this event could not happen. I have been truly blessed to work with such great people. The Evergreen Rodeo equally needs the sponsors who step up each and every year to back us financially. We could not celebrate our western heritage without the support of our sponsors. Please look around the arena and flip through the program and support our sponsors as you need goods and services. Last but not least, we thank you, the rodeo fan, not for the ticket you have bought, but for the satisfaction we get out of seeing you and your family come out and enjoy celebrating our western heritage.
